

TIMBER FRAMING

**Gain Experience in Traditional
Timber Frame Craftsmanship**

**Timber Framer - Jeremy Topitzer
of Lyonsville Carpenters**

Jeremy offers 30 years of experience as a master builder and timber framer. He studied traditional Timber Framing technique in Maine and continues to hone his expertise as a member of the Timber Framers Guild.

Timber Framing Workshop - May 23 -26 (Thu-Sun)

\$600 includes lunches. Lodging + additional meals available for \$375.

This hands-on 4 day course teaches you properties of wood, joinery design basics, authentic cutting methods, mortises and tenons, traditional tools, and raising a structure frame. Learn-by-doing as we place timber, carve joinery, and raise the frame for an 18'x20' outdoor pavilion.
